

Digital Photo Greeting Card

Designed for people who want to send the ultimate greeting, the Digital Photo Greeting Card extends the concept of a greeting card by including a 1.44" digital photo screen and the ability to display up to 50 digital stills. Just open the card, and the slideshow starts.

- Add a slideshow of up to 50 photos
- Simply connect it to your PC or Mac via USB to begin loading your pictures
- 1.44" screen (142 x 142 pixel resolution) displays your photos when the card opens
- Supports JPEG, GIF and BMP image formats
- USB 2.0 high-speed connectivity
- Powered by 2 x CR2032 batteries
