SPW-8A Solar Powered Watch

This Solar Powered Sports Watch Is The Most Revolutionary Timepiece Under The Sun! Rugged, dependable and ready for action, this solar powered Chronograph Watch makes a great gift for the sports enthusiast on your list! A steady, reliable flow of energy is the key to making a truly reliable Watch. This unit is powered by solar energy plus an 8-year lithium battery so you won't have to worry about replacing expensive batteries year after year. Also has 1/100 second stopwatch with lap operation, alarm with five-minute snooze, EL backlight, tough sport band and a case that's water resistant to 100'.
